SUMMARY

Early this summer we discussed with Council the annexation of several properties which had city limits on at least two sides. The property included in this proposed annexation is located on Old San Antonio Road (attachment 1). We've included the survey and aerial of the property (attachments 2 and 3). The tract is in an estate, so we have notified the attorney and the other owner Linda Long, and provided them with a municipal service plan for the property (in Ordinance).

We have spoken to Linda Long and she is in support of the annexation.
