

PRESLEY MULLINS

Born in 2007 in Dover, Delaware to a military family, Presley learned from an early age the importance of attitude and integrity, and the spirit of competition. She had two older siblings and spent many evenings at the baseball or football fields, or courtside at the gymnasium. Once her father retired from the Air Force, she started gymnastics for the first time in Boerne, Texas at the age of 6 in a recreational gymnastics class, but quickly advanced to competition team level.

During the 2014-2015 season, she was a gold medalist on floor, silver medalist on vault, and bronze medalist on bars at the Corinth TAAF qualifier. She then went on to the TAAF Level 3P State Championships where she was ranked 4th on floor and 8th on vault.

As a result of all her hard work and commitment at the state and local levels, she qualified for the 2015 State Games of America in Lincoln, Nebraska, where she was awarded the Gold medal on beam, and was 4th place on bars, vault, floor, and all around.

Aside from her gymnastics accomplishments, Presley also excels in the classroom, having been on the All A Honor Roll several times during the 2014-2015 school year. She was awarded the Outstanding Great Job in Music Award, the Math Facts Master Award, and the Friendship Award.

In her spare time, Presley enjoys swimming, riding horses at her grandparents' farm, saltwater fishing at the coast, spending time with her cousins, and shopping.

Name: Austin Turgon
Birthdate: March 15, 2003
Hometown: Boerne, Texas
Discipline: Skateboarding

Austin Turgon began skateboarding when he was seven years old and was skating competitively less than three years later.

Austin competed at TAAF Games of Texas in College Station on August 1, 2015 where he won 2 gold medals in – BEST ON RAIL and BEST ALL AROUND and 1 silver, BEST IN BOWL.

He most recently won first place in the street event at the largest youth skateboarding series in the United States. In his second appearance at King of the Groms, he won the 12 and under East Coast championship in the street event in May and finished second in the bowl event. He also won the best trick competition in the 12 and under age group at King of the Groms.

Austin has attended Camp Woodward in Pennsylvania the last four years, each of which he was selected for the Talented and Advanced Program (TAP). In 2014 and 2015 he placed first in four of five competitions during TAP week, two in intermediate and two in 12 and under. Competing with all TAP campers ranging in age from 18 to 9, he placed ninth overall in a three-day competition in 2013. Austin won overall at King of the Groms in summer 2015 at 3rd Layer in Minneapolis.

He is a student of former professional skateboarder Neal Mims, who is based in San Diego. He has attended skateboarding camps on the East and West Coasts and is increasing his competitive schedule each summer.

Austin is in the seventh grade at the Geneva School of Boerne, Texas. When he's not skateboarding at the City of Boerne Skate Park 4/5 days a week, his other athletic interests include basketball and golf.
