SUMMARY	<p>Staff has been reviewing and preparing updates to the current Park and open spaces Ordinance. The following items are items staff has identified and are recommending be changed.</p> <ul style="list-style-type: none"> • Length and Frequency of Facility Rentals: Current Ordinance allows for events to rent facilities for no longer than 24 hours without special permission. There are several events who receive permission to run their events over multiple days. Staff proposes setting a limit to what can be allowed to prevent both the monopolizing of facilities as well as damage to facilities due to events occupying the space for too long. • Removal of Restrictions on City Park Road: Current Ordinance sets a closing time for City Park Road from 10:00 pm till 8:00 am daily. Changes to the road now force all traffic wishing to turn left onto State Highway 46 to take Charger Blvd. and exit at the protected light. • Cancellation of Scheduled Events During Times of Inclement Weather and/or Poor Facility Conditions: Policy has always been that the City of Boerne has the right to cancel a rental due to inclement weather and/or in the case of poor facility conditions. Staff recommends adding it to the Ordinance as well. • Adding The Amphitheater to the List of Facilities Covered by

	<p>the Ordinance: Parks department will be taking on the duties of maintaining and renting the new Amphitheater once open. We simply need to add it to the list of rentable facilities and include any specific limitations.</p> <ul style="list-style-type: none"> • Eligibility for Rental Including Insurance Requirements and Being in “Good Standing” with the City of Boerne: From time to time we have potential renters who are either in default on past rent or damages, property taxes, hot checks, utility payments, ETC... This would prevent them from future event rentals until they are back in “Good Standing” with the City of Boerne.
