SUMMARY	<p>The City has an Interlocal Agreement with the County that requires that we annex right-of-way when it is surrounded by the City limits. In this case, the City limits are on either side of the road and we are fulfilling our obligation by annexing this 464 ft. section of Upper Balcones Road. We have provided the attached description of this section of Upper Balcones Road. It runs from the IH-10 access road to Coughran Road.</p> <p>We have attached the survey of the right-of-way and an aerial of the area for your information. At this time, Council needs to set a date, time and place for two public hearings.</p>
