Proposal for Boerne Lake Dam

Job location

Upper Cibolo Creek Rd

Job description:

Cut dryland willow and haul off

Also shred dryland willow if accessible/possible with a skid-steer on tracks

Cut willow on both sides of dam from one side to other as explained

If awarded job I will start within two weeks

Estimated job cost to complete \$23,500

Extra bid proposal for the toe part of dam from gate towards upper Cibolo creek rd

It's about 1700' long

This proposal is to shred this smaller part of dam the whole way not hand cut and haul off

Estimated job cost \$3500

Total for both jobs \$27,000
