Re: Work Order #320975

Dear Mr. Taylor

Our Engineering department has processed your request for either establishing electric service or relocating existing facilities on your property. Enclosed you will find a copy of the proposed route. Upon receipt, your work order will be released to construction for scheduling.

This cost estimate is valid for three (3) months from the date of this letter. In the event you do not remit payment prior to the due date, the work order will be cancelled. If, after the expiration date, you choose to proceed with this project you will be required to complete new forms and pay the associated engineering fees as per the Cooperative's tariff.

If you have any questions regarding the cost or survey route, please contact our Engineering Department at (830) 796-3741 or (866) 226-3372. Our office hours are Monday through Friday 8:00 a.m. to 5:00 p.m.

Respectfully yours,

Sandy Craddock

Sandy Craddock
Engineering Office Technician
