Contact Person	Chief Steve M. Perez
Background Information	<p>The Edward Byrne Memorial Justice Assistance Grant Program (JAG) has set aside funding for various law enforcement projects for FY 2025. This funding may be used to provide additional personnel or equipment for criminal justice purposes. These purposes include community policing and officer wellness programs which would require our agency to hire an additional Mental Health Officer.</p> <p>In February 2024, Officer Rebecca Foley along with Lt. Chris Walk, applied for this grant through the Office of the Governor's Public Safety Office. Our agency is currently in the review process for being awarded funding for the addition of a Mental Health Officer position. This is a reimbursement grant, and a special account would be designated for this purchase. This grant would provide \$107,797.00 to cover the salary, benefits, hiring and training of one new Mental Health Officer position.</p> <p>Part of the grant's requirements is for a resolution to be passed and approved accepting the grant. This resolution was originally approved on 3/28/2024. The JAG representative requested that an updated resolution be provided with the City's current authorized official, Nicholas Montagno, specifically named in the resolution. The correction has been made and submitted for approval.</p>
Strategic Alignment	<p>Safety & Security</p> <p>F1- Committing to strategic, responsible, and conservative financial management.</p> <p>C3- Collaborating with community partners to enhance quality of life.</p>

Financial Considerations	The City of Boerne/ Boerne Police Department will hire and train a Mental Health Officer for a total of \$107,797.00. The grant program will then reimburse the city \$107,797.00.
