

WILLIAM T. AYCOCK

PERSONAL INFORMATION

Date of Birth: July 1, 1971

Marital Status: Married, three children

PRESENT PROFESSIONAL EXPERIENCE

2012 - Present **VeriFi Laboratory, Inc.** Kerrville, Texas

DIRECTOR/ANALYST

- Administrative director of a certified digital forensic laboratory; operations, licensing, certifications, budgeting, public relations.
- CCMDE Licensed mobile device forensic analyst; JTAG certified examiner; 358 documented mobile examinations to date; court certified expert
- VeriFi is a law enforcement support entity with the mission of providing timely expert digital forensics to rural law enforcement agencies at low cost. VeriFi was founded by William Aycock.

PAST PROFESSIONAL EXPERIENCE

2004 - 2013 **Ingram City Marshal Dept.** Ingram, Texas

INVESTIGATOR

- Honorably Retired / Retired Peace Officer Status
- Police Officer, enforcing state and local laws in Ingram, Texas. ; Master Peace Officer Cert; CCMDE; Court certified expert in Digital Forensics supporting local and state agencies including the Texas Rangers. Reporting directly to Chief of Police (Rowan Zachry). Oversight, supervision and performance of criminal investigations for the department. Investigative experience ranging from quadruple homicide to minor theft. Criminal cases are prepared and presented to a prosecutor. Since 2005, a documented 90% clearance rate and an 83% offender confession rate.

1995 - 2002 **Kerrville Police Department** Kerrville, Texas

POLICE OFFICER

- K-9 Trainer/Handler ; Police Instructor Cert.; PPCT Defensive Tactics Instructor; 2001 Chief's Recognition Award. As a police officer, I enforced state and local laws; Selected by the Chief of Police to perform several specialized assignments. The first was the re-organization and streamline of the emergency communications operations center and 911 PSAP. This included training, scheduling, and management. I created a standard operating procedure manual, wrote departmental communications policy and created a training program. My second assignment was to begin the department's first K-9 unit. I wrote departmental policy for the unit and created the organizational structure of the unit. My areas of expertise were team tactics, defensive tactics and K-9 operations.

1994 - 1995 **Kingsville Police Department** Kingsville, Texas
POLICE OFFICER

- As a police officer, I enforced state and local laws. This was my first job as a police officer. I left Kingsville to work in Kerrville

1991 - 1994 **Kerrville Police Department** Kerrville, Texas
COMMUNICATIONS OFFICER

As a communications officer, I was the first point of contact for police/fire/ems calls for service. I would field and disseminate calls for service, activating the appropriate responding agency and coordinating their communications. I was also a 911 PSAP operator, fielding 911 calls and activating the appropriate responses. Other duties also involved data entry and reports. I left this job to begin patrol work in Kingsville.

ADDITIONAL PROFESSIONAL ACTIVITIES

- **POLICE INSTRUCTOR** – As a certified instructor, I hold in-service training classes for police officers. I am authorized to grant training hours that would go towards an officers training record and his required number of in-service courses.
- **MOBILE DEVICE FORENSIC EXPERT** – I am a court certified forensic expert in the extraction and analysis of mobile digital devices. My services are utilized by law enforcement, attorneys, and private citizens for the extraction of data from digital devices. Expert testimony in court is usually involved.
