SUMMARY	The Esperanza Unit 2B subdivision was approved by the Planning and Zoning Commission back on August 3, 2015, but the number of lots decreased from a total of 39 lots to 33 lots. The decrease is due to lots being shifted from Phase 2B to Phase 2A. They are ready to proceed to final plat, but need to resubmit the preliminary plat for approval because of the changes in the number of lots. It does meet the requirements provided by our ordinance and by the Master Planned Community. Staff recommends approval.
