<b>SUMMARY</b>	In December of last year, Council approved a Resolution that temporarily allowed home delivery of packages in residential neighborhoods during the holiday season. They asked that we look at the definition of Home Occupation to allow such a use on a permanent basis. We discussed this in March and the Commission was uncomfortable with the use of the term "substantially within". Staff has considered a number of options for this definition and would like to discuss this item again. We've attached the latest version for your review.
