Ms. Willson:

We are requesting approval to openly allow contractors the availability to lease office and warehouse space at 110 Old San Antonio Road, which is currently zoned B2. We will have a mix of contractors and general office spaces available, as seen on the proposed site plan. Approval to do so would prevent us needing to seek permission for a specific type of contractor each and every time we have a new tenant.

Please let us know if you have any questions or if more information is required.

Thank You,
