

APPENDIX A

REQUEST FOR SERVICES

This **REQUEST FOR SERVICES** is entered into as of the 4th day of October, 2016, by and between **Pike Electric, LLC** ("Company") and **City of Boerne** ("Client"), is issued pursuant to that certain Master Services Agreement (the "Agreement") by and between Company and Client dated as of **June 14, 2016**. Capitalized terms used but not defined herein shall have the meaning given to them in the Agreement. This Request for Services is entered into by the parties hereto to stipulate the scope of Services to be provided by Company to Client and the related pricing and other additional terms.

Company and Client will mutually develop and agree to the, scope of work, cost and project schedule with proposed start and completion dates as detailed below for each project initiated under this MSA.

I. Scope of Services:

Company shall perform the following Services for Client:

Pike's scope of work will include framing of poles, removing existing conductor and installing new Conductor per the approved Jennings Anderson Ford Overhead Electrical Distribution Plan developed by Schneider Engineering. The plans are currently being revised by Schneider and will be provided to PIKE upon completion.

II. Schedule:

- Project Start Date: October 19, 2016 (Or as soon as possible based on current events related to PIKE responding to Hurricane Mathew)
- Project Duration: 10 Days from the Project Start Date
- Anticipated Completion Date: November 1, 2016

III. Pricing/Compensation:

Per the attached Hourly Cost Estimate for labor and materials the City of Boerne will compensate PIKE for work performed at an hourly rate with a not to exceed amount of \$49,009.10.

IV. Information to be furnished to Company by Client:

- The City will install all poles and anchors. No digging for PIKE.
- PIKE will frame poles and install new wire and make connections.
- PIKE will top existing poles above telecom.
- The City will remove and dispose of the old line, including poles and wires.

V. Information to be furnished to Client by Company:

Material Submittals will be required for:

- Wire
- Framing including down guys
- Connectors

VI. Designated Representatives:

Company Designated Representative: _____.

Client Designated Representative: _____.

VII. Additional Terms (if applicable):

IN WITNESS WHEREOF, each of the parties has caused this Request for Services to be signed by a duly authorized representative as of the date first set forth above.
