

2016 ANNEXATION CITY OF BOERNE, TEXAS MUNICIPAL SERVICE PLAN

Property Subject to the Plan:

Being a 21.688 acre tract of land located in the Juan Ortiz Survey No. 190, abstract No. 363, Kendall County, Texas, said 21.688 acre tract of land being the remaining portion of that certain 30 acre tract of land recorded in Volume 1372, Pages 582-586, Kendall County Deed Records being more fully described in attached Exhibit "A", which is incorporated as if fully set forth herein and hereinafter referred to as the "Property" or the "Annexation Area."

Municipal services to the Annexation Area will be furnished by or on behalf of the City of Boerne, Texas, at the following levels and in accordance with the following service plan programs:

A. SPECIFIC FINDINGS

The City Council of the City of Boerne, Texas finds and determines that this Municipal Service Plan will not provide any fewer services nor will it provide a lower level of service, in the Annexation Area, than were in existence at the time immediately preceding this territory's annexation to the City of Boerne, Texas.

B. PROGRAM FOR SERVICES TO BE PROVIDED ON THE EFFECTIVE DATE OF THE ANNEXATION.

The City will provide the following services in the Annexation Area on the effective date of the annexation, unless otherwise noted. As used in this plan, the term "providing services" includes having services provided by any method or means by which the City may extend municipal services to any other area of the City, including the City's infrastructure extension policies and developer or property owner participation in accordance with applicable City ordinances.

1. POLICE PROTECTION

The City of Boerne Police Department will provide regular and routine patrols to the Annexation Area at the same or similar level now being provided to other areas of the City with similar topography, land use and population densities. It is anticipated that the implementation of police patrol activities can be effectively accommodated within the current budget and staff appropriation.

The services will include, but are not limited to:

- Normal patrols and responses to calls for service;
- Handling of offense and incident reports;
- Special units, such as traffic enforcement, criminal investigations, narcotics law enforcement, gang suppression, and crime response team deployment when required; and
- Animal Control services.

2. FIRE SERVICE

The City of Boerne, Texas and its Fire Department will provide fire protection services to the Annexation Area at the same or similar level now being provided to other areas of the City with

similar topography, land use and population densities. The Fire Department will perform these duties as part of its overall activities. Adequate fire suppression activities can be afforded to the annexed area within current budget appropriation. Fire prevention activities will be provided by the Fire Marshall's office as needed.

These services include, but are not limited to:

- Basic Life Support (BLS) 1st responder emergency medical services;
- Fire suppression and rescue;
- Hazardous materials mitigation and regulation;
- Technical rescue;
- Fire Safety Education;
- Aircraft/rescue/firefighting;
- Fire protection system plan review; and
- Inspections.

3. BUILDING INSPECTION AND CODE ENFORCEMENT SERVICES

The City of Boerne Code Enforcement Department activities will extend to Annexation Area, pursuant to applicable policies and/or ordinances of the City, now existing or as such policies and/or ordinances may be amended. These services include, but are not limited to, consultation with project developers for building code requirements, plan review for structures, issuance of building permits, and on-site inspection services for new construction.

The Code Enforcement Department will also enforce the City's code of ordinances and will respond to requests for inspection and complaints of suspected City Code violations including, but not limited to: high weeds and grass, trash and debris, solid waste, trash carts and illegal dumping, junked and abandoned vehicles, zoning, food, daycare, pool and spa inspections, stray animals, cruelty and bite investigations. Complaints of ordinance or regulation violations within the Annexation Area will be answered and investigated by existing personnel within the appropriate City department beginning on the effective date of the annexation.

4. PLANNING AND ZONING

The City of Boerne Planning and Zoning Department activities will extend to the Annexation Area, pursuant to applicable policies and/or ordinances of the City, now existing or as may be amended. These services can be provided within the department's current budget. The Planning and Zoning Commission will initiate permanent zoning of the newly annexed area as soon as possible after annexation.

5. LIBRARY

Free library use and privileges will be available to residents of the Annexation Area, pursuant to applicable policies and/or ordinances as may be amended. These privileges can be provided within the current budget appropriation.

6. PARKS, PLAYGROUNDS, AND SWIMMING POOLS

Residents of the Annexation Area may utilize all existing parks and community service facilities throughout the City subject to existing ordinances and policies as may be amended. Existing

parks, playgrounds, swimming pools and other recreational and community facilities within the Annexation Area that are private facilities will be unaffected by the annexation.

7. SOLID WASTE COLLECTION

The City of Boerne contracts for the collection of solid waste and refuse within the corporate limits of the City. Solid waste collection will be provided to the Annexation Area at the same or similar level of service now being provided to other areas of the City in accordance with existing ordinances and policies as may be amended from time to time.

8. STREET AND DRAINAGE MAINTENANCE

Any and all roads, streets or alleyways in the Annexation Area which have been dedicated to the public shall be maintained to the same degree and extent that other roads, streets and alleyways are maintained in areas of the City of Boerne with similar land use, population density and topography. This service can be provided within the current budget appropriation.

Construction of new roads and streets, if any, is the responsibility of the developer or land owner desiring them and must be designed and built in accordance with applicable City of Boerne ordinances and policies as may be amended.

The effects of this addition on drainage will be addressed under the provisions of the Subdivision Ordinance in effect at the time of platting, if and when such platting occurs. The effects will be consistent with such maintenance provided by the City of Boerne to other areas within the City exhibiting land use, population density and topography similar to that of the Annexation Area.

9. ELECTRIC SERVICE

Pedernales Electric Co-op will continue to provide electricity service to the Annexation Area at the same or similar level of service now being provided to other areas which exhibit topography, land use and population density.

10. GAS SERVICE

Natural Gas service is presently available to the Annexation Area and is located at along the north side of State Highway 46 (River Road) across from the subject property. Natural Gas service is provided for as it is to all other areas within the City of Boerne with the same or similar topography, land use, and population density.

Natural Gas service from the City of Boerne may be extended to and throughout the Annexation Area by the developer or the land owner and must be designed and built in accordance with applicable City of Boerne policies and ordinances as may be amended.

11. WATER SERVICE

City of Boerne Water service is presently available to the Annexation Area and is located along the north side of State Highway 46 (River Road) across from the subject property. Existing City of Boerne water mains will be available for point-of-use extension based on applicable utility extension policies and ordinances of the City of Boerne, now existing or as may be amended.

Residents and businesses in the Annexation Area will be subject to the same service policies and procedures as apply to other areas of the City of Boerne with the same or similar topography, land use, and population density. As applied to all properties within the City, residents will be responsible for costs to install water service throughout their property. All such water service facilities under the City of Boerne's direct jurisdiction, including new facilities which may be installed by developers or property owners within this newly annexed territory, will be operated, maintained, monitored and inspected in accordance with established City of Boerne policies and ordinances as may be amended. This service can be provided within the current budget appropriation.

12. SEWER SERVICE

Sewer service is presently available to the Annexation Area and is located at the north side of State Highway 46 (River Road) immediately west of Browns Creek (approximately 1,200 LF west of the subject property). Sewer service is provided as it is to all other areas within the City of Boerne with the same or similar topography, land use, and population density. Sewer service from the City of Boerne may be extended to and throughout the Annexation Area by the developer or the land owner and must be designed and built in accordance with applicable City of Boerne policies and ordinances as may be amended.

Residents and businesses in the Annexation Area will be subject to the same service policies and procedures as apply to other areas of the City of Boerne with the same or similar topography, land use, and population density. As applied to all properties within the City, residents will be responsible for costs to install sewer service throughout their property. All such sewer service facilities under the City of Boerne's direct jurisdiction, including new facilities which may be installed by developers or property owners within this newly annexed territory, will be operated, maintained, monitored and inspected in accordance with established City of Boerne policies and ordinances as may be amended. This service can be provided within the current budget appropriation.

C. CAPITAL IMPROVEMENTS PROGRAM

No capital improvements are necessary at this time to provide services to the Annexation Area consistent with all other areas within the City of Boerne with the same or similar topography, land use, and population density. Need for construction of new facilities will be assessed periodically based on population growth and predicted growth.
