City of Boerne
402 E. Blanco
Boerne, TX 78006

Dear City Council and P&Z Commissioners:

The Cow Creek Groundwater Conservation District is requesting that the City of Boerne consider the use of a Governmental Facility for the property located at 221 Water Street. The property is zoned B-2, Highway Commercial district but the use does require City Council approval. We plan to use the existing building as an office.

There is no intention of having large meetings at the site. Any meetings that may be held would be workshops or subcommittee meetings which would consist of no more than five Board members and staff.

In Summary, the Cow Creek Board of Directors appreciates your consideration and approval of the request.

Sincerely,
Cow Creek Groundwater Conservation District

Micah Voulgaris
General Manager
