Oliver,

Sorry about the delay, was out of town all of last week at a truck convention in Indy.

Been trying to catch up this week needless to say.

I can arrange to sell the city this 2017 Ford Transit Connect XL Van:

A copy of the Maroney label is attached.

I provided a rear camera that you indicated preference for. I can also provide some without and reduce the cost if needed.

Price to the City is \$ 22,915.00

Quote is good for 15 days.
