SUMMARY	<p>The property under consideration is a total of 21.688 acres located off of River Road and Highway 46. The property was annexed by the City December 13, 2016. The annexation is part of an effort to take in properties that are already surrounded by the City limits and utilities are located near the property. We've done this along Old San Antonio and this is the first one along River Road. There is no current plan to develop the property. The Land Use Plan identifies this area as MU-2 and Staff is supportive of that zoning. This will allow for multiple commercial uses and limited apartments. Once it is zoned, this will give us the opportunity to place the Entrance Corridor Overlay District on the site as well which will control the appearance of future development on this site.</p> <p>The Planning and Zoning Commission voted 8-0 in favor of the zoning</p>
