<b>SUMMARY</b>	<p>The Boerne Police Department has maintained a seized fund account that is regulated under Chapter 59, Texas Code of Criminal Procedure (CCP). Chapter 59, Forfeiture of Contraband, stipulates that these monies are to be used solely for salaries/ overtime, officer training, specialized investigative equipment and supplies, and items used by officers in direct law enforcement duties. These monies typically come from the sale of assets that are used by the criminals to carry out their illegal activity such as; vehicles.</p> <p>The law also stipulates that a budget must be prepared and presented to the governing body. In addition, under Chapter 59 it clearly states that the governing body cannot use the monies to offset any decreases in the budget which is commonly referred to as supplanting. We have been working on the list of items for about 3 months in determining what we needed to spend the monies on and getting accurate quotes from vendors.</p> <p>Since we did not prepare a budget for FY 2016/ 2017 in 2016 we must prepare and submit a budget by the rules set out in Chapter 59, CCP prior to making expenditures. Our intentions here are to buy specialty type items that will allow officers to do their job better and become more efficient.</p> <p>The items listed in the attached budget are as follows: ATV, Covert Camera/ Recorder, Crowd control equipment, TV, Remote Control Moving Target, Portable Breath Test, Medical Go-Bags, Wireless Public Service Announcement Kit, Explosive Container, Unmanned Aerial Vehicle, and Suppressors. All of the equipment fits within the guidelines under Chapter 59 of the CCP.</p>
