CONTACT PERSON	Michael Mann – Public Works Director
SUMMARY	<p>Every year, the Street Department performs oil and gravel seal-coat overlays on various streets within the City. The budget for this work is included in the Street Department Operating Fund. Determination of which streets to seal is made based upon surface conditions and/or is timed to follow contractor installed crack sealant.</p> <p>At present, we expect to be able to seal Plant Street, Edge Creek, Stonegate, Stone Creek and Fawn Valley. The materials needed to perform this work would be purchased from two separate vendors, one for seal and the other for the gravel.</p> <p>Because the purchase of the two materials each exceed \$15,000, specific approval by the Council is required per our Home Rule Charter. Staff recommends that the Council authorize the City Manager to proceed with these purchases.</p>
COST	Oil – Ergon Asphalt Emulsions - \$32,579.32
