<b>SUMMARY</b>	<p>The City of Boerne Thoroughfare Plan was last updated in February of 2015. The street we would like to consider reclassifying right now is Shooting Club Road. We will make further updates to the Thoroughfare Plan when we are finished with the update of the Master Plan.</p> <p>Staff recommends that Shooting Club Road be categorized as a secondary collector with 74' of right-of-way. The Planning and Zoning Commission voted 5-0 in favor of the zoning.</p> <p>Description for a Secondary Collector:</p> <p>A street of moderate continuity that provides direct access between adjacent neighborhoods or districts for medium volumes of traffic. Collector streets are occasionally interrupted or diverted by neighborhood destinations or natural barriers.</p> <p>Collector streets shall be located every ¼ to ⅓ mile apart, except in rural development patterns; and as may be specified in the City's official Thoroughfare Plan.</p> <p><b>Volume Range</b> (vehicles/day):  <i>Primary Collector:</i> 3,000 to 10,000  <i>Secondary Collector:</i> 500 to 3,000</p>
