<b>SUMMARY</b>	<p>The City of Boerne has had for several years an Interlocal Agreement with the City of Fair Oaks Ranch for Animal Control Services.</p> <p>Boerne really serves as the holding facility for Fair Oaks Ranch's animals that are picked up by their Animal Control Officer.</p> <p>The contract is based on the number of animals brought in to our facility for a twelve month period ending in April, factoring in a percentage of the expense of operating our shelter, using our current year budget.</p> <p>Based on calculations, the amount due from the City of Fair Oaks Ranch is only 10% of the operational costs of \$122,554.13, equaling \$12,255.41 or a monthly sum of \$1021.28 over the period of this agreement. This is a 21% decrease over the previous year's expense. This is due to the decrease in animals that have been brought in and the turnover of possession to the City of Boerne.</p> <p>Fair Oaks Ranch Staff is in agreement with the Interlocal and will be taking it to their Council in July.</p>
