<b>SUMMARY</b>	<p>Misty Mayo, President and CEO of the Boerne Kendall County EDC (BKCEDC) will give her update to Council on activities from the 4<sup>th</sup> Quarter of 2016 and the first Quarter of 2017.</p> <p>It has been a very busy time for both the BKCEDC and for the City of Boerne in terms of economic development projects and initiatives. Attached is Misty's report outlining the recruitment, business retention and expansion and image and marketing activities for the 6 months period ended March 31, 2017. The City EDC team has been equally busy working on many of the same projects that Misty has listed in her report. It was my desire for this update to take place during the second quarter of 2017 which concludes at the end of this month due to the number of projects and activities we have been working on into the second quarter of 2017.</p>
