REQUEST FOR SIGN APPROVAL

REQUEST FOR PAINT COLOR APPROVAL FOR EXTERIOR TRIM

My name is Barbara Burger, owner of Joli Boutique, a retail ladies' and men's apparel & accessory store, and Studio Domaine, a residential interior design firm. I have leased **189 S. Maine** which is a 2000 sq. ft. space with a storefront that is 33' in width.

I placed a wall mounted, projected chalkboard under the awning, next to the entry door. It has come to my attention that this is considered a sign that must be approved. I have attached photos. I request approval to keep this chalkboard.

I do not at this time plan on having any other type of projected sign under the front awning. I am only in this space for a few months. If that changes, I will have a larger sign made and request the approval required.
