SUMMARY	<p>In July, the Council recognized the City of Boerne Gas Department for its receipt of the 2017 Texas Gas Association Safety Award.</p> <p>We were recently advised that the City also received the “National” version of that award from the American Public Gas Association. In the application for that award, the City showed that 19,629 man-hours had been expended in 2016 (including operations, maintenance, clerical administration, and other employees) with no reportable accidents or injuries during that time.</p> <p>Please join us in giving congratulations to all of the City employees that provide service to our natural gas customers.</p>
