Hello Victor:

Thank you for your interest in EZ-Liner's Model AL-120 airless palletized striper. This machine offers the capability of a truck-mounted striper in an affordable package.

The base unit includes: Stand tube, bumper tie down, carb compliant fuel tank assembly, seat with arm rests and safety belt, manual outrigger with steering wheel, adjustable line guide, 17 gpm Vickers or Parker hydraulic pump, 15 gallon hydraulic tank with magnet at bottom, hydraulic filter, 12 volt electrical system, high pressure filter assembly white, high pressure filter assembly yellow, gun carriage assembly, carriage transport bracket, air compressor with 2 gallon reservoir, Norgren air dryer system, LaMan dryer, Honda engine, Model 238-377 Graco paint guns with reverse-a-clean spray tips (various tip sizes available), Model 238-338 Bead Gun (various nozzle sizes available), gun solenoid, manual controller, trailing reversible gun carriage for center or edgeline with pneumatic carriage lift with controls, clamp on line guide, stainless steel/water or solvent based compatible, lift points for easy mount/dismount, Model AL120-EZ Training Video (DVD).

**Please consider the following quotation:**

1 Model AL120-EZ airless slide-in striper  
Two gun system (paint and bead capability)  
Drum draw with drum holders and tie downs  
Standard power pack includes 23 HP Honda engine and two cylinder,  
single stage 13 cfm air compressor  
One 8.6 gpm @ 2000 psi, hydraulic piston paint pump w/ surge chamber  
(to reduce hour glassing of line between stroke changes)  
500# ASME bead tank with regulator  
Two 6" 40 mesh filtration Ingersoll Rand elements  
**Electronic Skipline MST-14 controller (automatically meters out skips  
and fires guns accordingly)**  
Hydraulic steering in lieu of manual steering  
David Clark hardwired hands free communications system  
**Price for unit as equipped above** **\$54,077.50**

**Optional deletions**

**Delete surge chamber on pump** **-\$1,550.00**

The AL120-EZ is available for shipment within 7 to 8 weeks ARO. For your convenience, the quote is good for 90 days.

\*HGAC pricing good through Oct. 1, 2018. Terms are net 30 for government agencies. A training DVD is provided with the unit. Additional training is available upon request for quote. **Estimated freight to Boerne, TX is \$2100 (may be less).** Please contact me if you have any questions about this proposal.

Thank you,
