Hello Victor:

Thank you for your interest in EZ-Liner's Model AL-120 airless palletized striper. This machine offers the capability of a truck-mounted striper in an affordable package.

The base unit includes: Stand tube, bumper tie down, carb compliant fuel tank assembly, seat with arm rests and safety belt, manual outrigger with steering wheel, adjustable line guide, 17 gpm Vickers or Parker hydraulic pump, 15 gallon hydraulic tank with magnet at bottom, hydraulic filter, 12 volt electrical system, high pressure filter assembly white, high pressure filter assembly yellow, gun carriage assembly, carriage transport bracket, air compressor with 2 gallon reservoir, Norgren air dryer system, LaMan dryer, Honda engine, Model 238-377 Graco paint guns with reverse-a-clean spray tips (various tip sizes available), Model 238-338 Bead Gun (various nozzle sizes available), gun solenoid, manual controller, trailing reversible gun carriage for center or edgeline with pneumatic carriage lift with controls, clamp on line guide, stainless steel/water or solvent based compatible, lift points for easy mount/dismount, Model AL120-EZ Training Video (DVD).

Please consider the following quotation:

1 Model AL120-EZ airless slide-in striper
Two gun system (paint and bead capability) with gun actuators to adjust gun height
Drum draw with drum holders and tie downs with two hydraulic drum agitators
Standard power pack includes 23 HP Honda engine and two cylinder, single stage 13 cfm air compressor
One 8.6 gpm @ 2000 psi, hydraulic piston paint pump with surge chamber to eliminate hour glassing of the painted line at stroke changeover
500# ASME bead tank with regulator
Two 6" 40 mesh filtration Ingersoll Rand elements
Electronic Skipline MST-02 controller (automatically meters out skips and fires guns accordingly)
Hydraulic steering on carriage
Air system oiler (keeps solenoids lubricated)
Laserline manual laser guidance system GL3000M (12v with cigarette lighter cord, magnetic mount and control pendant)
David Clark hardwired hands free communications system
Price for unit as equipped above with shipping to Boerne, TX **\$62,642.60***

The AL120-EZ is available for shipment within 7 to 8 weeks ARO. For your convenience, the quote is good for 90 days. *HGAC pricing good through Oct. 1, 2018. Terms are net 30 for government agencies. A training DVD is provided with the unit. Additional training is available upon request for quote. Please contact me if you have any questions about this proposal.

Thank you,
