<b>SUMMARY</b>	<p>For the 30th consecutive year, the Government Finance Officers Association (GFOA) is awarding the City of Boerne a Certificate of Achievement for Excellence in Financial Reporting for its Comprehensive Annual Financial Report (CAFR) for the fiscal year that ended September 30, 2016. This Certificate of Achievement is the highest form of recognition in governmental accounting and financial reporting, and its attainment represents a significant accomplishment by a government and its management. The award is presented to Finance Director Sandra Mattick. She and her staff are responsible for preparing the award-winning CAFR and as such the staff also deserve the recognition. The CAFR has been judged by an impartial panel to meet the high standards of the program including demonstration a constructive “spirit of full disclosure” to clearly communicate the City’s financial story and motivate potential users and user groups to read the CAFR. Residents can see all the changes and improvements across the city and read about other awards and recognitions but they perhaps don’t connect that to the great financial management that makes the city’s success possible</p>
