AGENDA DATE October 10, 2017 DESCRIPTION CONSIDER RESOLUTION NO. 2017-R91; A RESOLUTION AUTHORIZING SUPPLEMENT NUMBER 2 TO THE AGREEMENT BETWEEN THE CITY OF BOERNE AND HALFF ASSOCIATES, INC. FOR THE DESIGN AND CONSTRUCTION SERVICES OF THE INTERSTATE HIGHWAY 10 WATER AND WASTEWATER RELOCATIONS. STAFF'S RECOMMENDED ACTION (be specific) Consider Resolution No. 2017-R91; A Resolution Authorizing Supplement Number 2 to the Agreement Between the City of Boerne and Halff Associates, Inc. for the Design and Construction Services of the Interstate Highway 10 Water and Wastewater Relocations. CONTACT PERSON Michael Mann – Public Works Director SUMMARY Council has previously approved contractual expenditures with Halff Associates for water and wastewater relocation associated with the TxDOT IH-10 widening project. The initial approval, in the amount of \$114,728.70, was for the originally understood scope of work. A second approval, in the amount of \$47,000 was for design of a water main loop along Upper Balcones that was also associated with the TxDOT improvements. Another contract, with Halff Tritex, Inc. was also approved for gas utility relocation work. Halff is now requesting a second amendment to water/wastewater design fee in the amount of \$13,734. The reason for this request, as we understand it, is that survey information provided by TxDOT to Halff was modified thereby necessitating some redesign of the roadway and the originally scoped associated utility adjustments. As with the previously approved contracts and amendments, we have been advised that the fees that the City has to front on this design work will be reimburseed. This would be done in accordance with a subsequent reimbursement contra	City of Boerne	AGENDA ITEM SUMMARY
