Adrian Rezendez, 109 Bluebonnet Circle stated he was not against development but had concerns with the proposed development at 110 Bluebonnet Circle. He has lived on Bluebonnet Circle for more than 20 years. He feels the proposed apartment complex will increase traffic, cause additional drainage issues, and bring crime to the area. Mayor Schultz called on Ms. Laura Talley, Planning and Community Development Director. Ms. Talley displayed a map of the property location of 20 Old San Antonio Road to include the proposed site plan and elevations. Ms. Talley stated that the Planning and Zoning Commission recommended approval of the R-4 zone by a vote of 5-2. The two Commissioners who voted against the R-4 zone felt that there was a need for more mixed use in the area. Discussion ensued regarding the concern that staff has received multiple requests for R-4 zoning and that this request seemed too heavy residential for the SOBO area. Ms. Talley explained that experts say that Boerne has not reached a saturation of apartments. Mayor Schultz stated that during business retention meetings that he has attended, prospective employers are complaining that there is no place for their employees to live in Boerne. Staff is supportive of the R-4 zoning for 20 Old San Antonio Road.

A MOTION WAS MADE BY COUNCIL MEMBER COLVIN, SECONDED BY MAYOR PRO TEM WOOLARD, TO APPROVE ON FIRST READING ORDINANCE NO. 2018-10; AN ORDINANCE AMENDING THE CITY OF BOERNE ZONING ORDINANCE NO. 2007-64, CAPTIONED, "ZONING ORDINANCE OF THE CITY OF BOERNE, TEXAS", DATED DECEMBER 18, 2007, BY AMENDING ARTICLE 3, SECTION 14, REZONING 15.54 ACRES LOCATED AT 20 OLD SAN ANTONIO ROAD, SOUTH OF BANDERA ROAD, COMMONS AT MENDER CREEK (KAD NO. 39338 AND 298096) FROM R-2, MODERATE-DENSITY RESIDENTIAL DISTRICT (2.25 ACRES) R-3, HIGH-DENSITY RESIDENTIAL DISTRICT (4.81 ACRES), AND B-2, HIGHWAY COMMERCIAL DISTRICT (8.48 ACRES), TO R-4, MULTI-FAMILY RESIDENTIAL DISTRICT; REPEALING ALL ORDINANCES IN CONFLICT; CONTAINING A SEVERANCE CLAUSE; AND DECLARING AN EFFECTIVE DATE. (Rene Gonzalez)**

Ms. Talley continued with the rezoning request of 2.16 acres located at 110 Bluebonnet Circle. Ms. Talley displayed a map of the area and the site plan. The property has two forced buffers; a 70' LCRA powerline easement to the south and a 150' drainage easement to the north. The Planning and Zoning Commissioners voted 5-2 to approve the R-4 zoning. The Commissioners who voted against the rezoning were concerned with flooding and the four story height of the building. Since the Planning and Zoning Commission meeting, the developer is proposing a three story, 69 unit apartment complex. Although the developer is not required to provide LID features, Staff has received a letter of intent in which Mr. Gonzalez will incorporate LID features into the development by filtering the runoff from the site and capture runoff from the roof tops and the parking lot using pervious paving system, rain gardens and vegetated swales in the open space and landscape areas. Mr. Gonzalez does not own the property yet and therefore cannot provide deed restrictions that would limit the property. With the current zoning RMO-3, 20 single family homes to 30 townhome units could be built. Ms. Talley stated that the developer has provided a traffic impact analysis. There was a negligible difference in traffic during peak times between the potential apartment complex and 20 single family homes. Mr. Gonzalez has received special permission from LCRA to allow parking under the powerlines. Discussion ensued regarding the encroach on neighbors, the density, and potential of flooding. Mr. Mike Mann, Public Works Director was asked to address the drainage concern. Mr. Jeff Thompson, Deputy City Manager stated that Staff looks for opportunities to do infill where utilities are available. This project

meets the Economic Development Workplan for home diversity and takes advantage of the proximity to school, the park and the YMCA making it a walkable community. Staff is supportive of the proposed rezoning to R-4.
