SUMMARY	<p>Council previously authorized staff to design and bid a construction project to extend Herff Road west of Main Street to tie into the portion of Herff that was provided by the developer of the HB Subdivision (see attached map). The work includes water and sewer main/service extensions and pavement for the roadway itself.</p> <p>The engineer's estimate of probable cost for the work at the completion of design was just under \$410,000.
