<b>SUMMARY</b>	<p>The walkway from the parking lot of Northup Park to the ball fields in Complex #3 has begun heaving and breaking apart. This walkway is used by the public to access the fields and serves as the only accessible path to the complex. In its current condition the walkway is on the verge of being considered inaccessible. For these reasons staff budgeted and City Council approved funds to replace the walkway.</p> <p>The remaining two walkways located in the park will need to be replaced in the future and staff plans to request funds to do that project in subsequent budget years.</p> <p>Staff solicited proposals and received two for the project. Bernhard Brothers Concrete Contractors, Inc. at \$19,649; and F.O. Foundations in the amount of \$22,317.50.</p> <p>Staff recommends approving the proposal from Bernhard Brothers Concrete Contractors, Inc. and adding a small contingency for an amount not to exceed \$20,000</p>
<b>COST</b>	\$20,000
<b>SOURCE OF FUNDS</b>	2018-2019 Approved Parks Capital Budget
