DESCRIPTION	9. DISCUSSION: D. MOBILITY OPPORTUNITIES
STAFF'S RECOMMENDED ACTION (be specific)	This item is for discussion purposes only. There is no recommended action.
CONTACT PERSON	Jeff Thompson, Deputy City Manager
SUMMARY	<p>Challenges with mobility and its impact on quality of life and the local economy will continue to be an issue that requires attention and funding in the coming years. Recent major additions such as the IH10 Frontage Road, Highway 46 expansion and completion of Herff Road have all had a positive impact on local mobility.</p> <p>Staff will provide a review of current projects underway, the impact of projected growth in the greater San Antonio area and Kendall County, and the need to continue to investigate options as we begin to update the City's Thoroughfare Plan following completion of the Master Plan. We will seek feedback from the City Council as to what our next steps should be to address growing congestion on all major roadways including the Hill Country Mile.</p>
