SUMMARY	<p>On April 9th, Council approved on first reading the Stormwater Utility Drainage Ordinance. A second reading of the ordinance is required following the public hearing. A separate public hearing for the establishment and calculation of charges and rates will occur after this agenda item.</p> <p>As discussed, the start date for billing Stormwater Utility fees remains January 1, 2020. The School District, County facilities and religious institutions will be phased in at 50% of full rate for 2020 before implementing the full rate in January of 2021. The Communications Department will continue providing information/education on the City's website as well as other areas of social media.</p> <p>Staff has begun researching stormwater utility rate credits offered in other cities to include San Antonio, New Braunfels and San Marcos in our region. The results of the research and potential stormwater</p>

	utility credits and other water conservation-based rebates will be presented to City Council for consideration no later than the Fall of 2019.
