SUMMARY	<p>This the final plat for the City of Boerne Cemetery North II Extension, a 0.2184 acre parcel consisting of 160 cemetery lots.</p> <p>The cemetery is a governmental facility and is permitted in any zoning district, therefore the typical lot standards do not apply, regardless of the zoning. Since there are no public improvements or extension of infrastructure, there are no additional submittal requirements for a final plat other than approval of the preliminary plat. Upon approval of the preliminary plat, Staff recommends approval of the final plat.</p>
