

2019 ANNEXATION CITY OF BOERNE, TEXAS MUNICIPAL SERVICE PLAN

Property Subject to the Plan: Being 23 .13 acres of land recorded in Volume 1646, Page 789, Official Records of Kendall County, Texas, situated in the Nicolas Flores Survey No. 174, Abstract No. 166, Kendall County, Texas, and being out of a 146.831 acre tract recorded in Volume 1431, Page 263, Official Records of Kendall County, Texas. Official Records of Kendall County, Texas, Kendall County Deed Records being more fully described in attached Exhibit "A", which is incorporated as if fully set forth herein and hereinafter referred to as the "Property" or the "Annexation Area".

Municipal services to the Annexation Area will be furnished by or on behalf of the City of Boerne, Texas, at the following levels and in accordance with the following service plan programs:

A. PROGRAM FOR SERVICES TO BE PROVIDED ON THE EFFECTIVE DATE OF THE ANNEXATION.

The City will provide the following services in the Annexation Area on the effective date of the annexation, unless otherwise noted. As used in this plan, the term "providing services" includes having services provided by any method or means by which the City may extend municipal services to any other area of the City, including the City's infrastructure extension policies and developer or property owner participation in accordance with applicable City ordinances.

1. POLICE PROTECTION

The City of Boerne Police Department will provide regular and routine patrols to the Annexation Area at the same or similar level now being provided to other areas of the City with similar topography, land use and population densities.

The services will include, but are not limited to:

- Normal patrols and responses to calls for service;
- Handling of offense and incident reports;
- Special units, such as traffic enforcement, criminal investigations, narcotics law enforcement, gang suppression, and crime response team deployment when required; and
- Animal Control services.

2. FIRE SERVICE

The City of Boerne, Texas and its Fire Department will provide fire protection services to the Annexation Area at the same or similar level now being provided to other areas of the City with similar topography, land use and population densities. The Fire Department will perform these duties as part of its overall activities. Adequate fire suppression activities can be afforded to the annexed area within current budget appropriation. Fire prevention activities will be provided by the Fire Marshall's office as needed.

These services include, but are not limited to:

- Basic Life Support (BLS) 1st responder emergency medical services;

- Fire suppression and rescue;
- Hazardous materials mitigation and regulation;
- Technical rescue;
- Fire Safety Education;
- Aircraft/rescue/ firefighting;
- Fire protection system plan review; and

- Inspections.

3. BUILDING INSPECTION AND CODE ENFORCEMENT SERVICES

The City of Boerne Code Enforcement Department activities will extend to Annexation Area, pursuant to applicable policies and/or ordinances of the City, now existing or as such policies and/or ordinances may be amended. These services include, but are not limited to, consultation with project developers for building code requirements, plan review for structures, issuance of building permits, and on-site inspection services for new construction.

The Code Enforcement Department will also enforce the City's code of ordinances and will respond to requests for inspection and complaints of suspected City Code violations including, but not limited to: high weeds and grass, trash and debris, solid waste, trash carts and illegal dumping, junked and abandoned vehicles, zoning, food, daycare, pool and spa inspections, stray animals, cruelty and bite investigations. Complaints of ordinance or regulation violations within the Annexation Area will be answered and investigated by existing personnel within the appropriate City department beginning on the effective date of the annexation.

4. PLANNING AND ZONING

The City of Boerne Planning and Zoning Department activities will extend to the Annexation Area, pursuant to applicable policies and/or ordinances of the City, now existing or as may be amended. The Planning and Zoning Commission will initiate permanent zoning of the newly annexed area as soon as possible after annexation.

5. LIBRARY

Free library uses, and privileges will be available to residents of the Annexation Area, pursuant to applicable policies and/or ordinances as may be amended.

6. PARKS, PLAYGROUNDS, AND SWIMMING POOLS

Residents of the Annexation Area may utilize all existing parks and community service facilities throughout the City subject to existing ordinances and policies as may be amended. Existing parks, playgrounds, swimming pools and other recreational and community facilities within the Annexation Area that are private facilities will be unaffected by the annexation.

7. SOLID WASTE COLLECTION

Solid waste collection is contracted for by the City's contracted agent upon annexation. Solid waste collection will be provided to the Annexation Area at the same or similar level of service now being provided to other areas of the City in accordance with existing ordinances and policies as may be amended from time to time.

8. STREET AND DRAINAGE MAINTENANCE

The effects of this addition on drainage will be addressed under the provisions of the Subdivision Ordinance in effect at the time of platting.

Roads, streets and drainage improvements that have been properly platted, duly dedicated, and accepted by the City of Boerne and/or Kendall County shall be maintained by the Department of Public Works. All roads, streets or alleyways in the Annexation Area which have been dedicated to the public shall be maintained to the same degree and extent that other roads, streets and alleyways are maintained in areas of the City of Boerne with similar land use, population density and topography.

Construction of new roads and streets, if any, is the responsibility of the developer or land owner desiring them and must be designed and built in accordance with applicable City of Boerne ordinances and policies as may be amended.

The effects of this addition on drainage will be addressed under the provisions of the Subdivision Ordinance in effect at the time of platting, if and when such platting occurs. The effects will be consistent with such maintenance provided by the City of Boerne to other areas within the City exhibiting land use, population density and topography similar to that of the Annexation Area.

9. ELECTRIC SERVICE

The current electric service provider will continue to provide electricity service as required to the annexation area.

10. GAS SERVICE

Natural gas service from the City of Boerne may be extended to and throughout the property by according to City standards. Natural Gas service is provided for as it is to all other areas within the City of Boerne with the same or similar topography, land use, and population density.

11. WATER SERVICE *Current Service - Well or KWU

Water service to the area may be provided from the City of Boerne in accordance with the applicable codes and departmental policy. When other property develops in the adjacent area, water service may be provided in accordance with extension ordinances. Extension of service shall comply with City codes and ordinances and State law as provided in Chapter 43 of the Local Government Code.

Residents and businesses in the Annexation Area will be subject to the same service policies and procedures as apply to other areas of the City of Boerne with the same or similar topography, land use, and population density. As applied to all properties within the City, residents will be responsible for costs to install water service throughout their property. All such water service facilities under the City of Boerne's direct jurisdiction, including new facilities which may be installed by developers or property owners within this newly annexed territory, will be operated, maintained, monitored and inspected in accordance with established City of Boerne policies and ordinances as may be amended.

12. SEWER SERVICE

Sanitary sewer service to the area of proposed annexation may be provided from the City of Boerne in accordance with applicable codes and departmental policy. When property develops in the adjacent areas, sanitary sewer service may be provided in accordance with the present extension ordinance. Extension of service shall comply with applicable codes and ordinances

and State law as provided in Chapter 43 of the Local Government Code.

Residents and businesses in the Annexation Area will be subject to the same service policies and procedures as apply to other areas of the City of Boerne with the same or similar topography, land use, and population density. As applied to all properties within the City, residents will be responsible for costs to install sewer service throughout their property. All such sewer service facilities under the City of Boerne's direct jurisdiction, including new facilities which may be installed by developers or property owners within this newly annexed territory, will be operated, maintained, monitored and inspected in accordance with established City of Boerne policies and ordinances as may be amended.
