SUMMARY	<p>This is one of the properties that was recently annexed by the City of Boerne as part of our strategic annexation plan. After the annexation was complete the property automatically received a temporary zoning of R-A, Residential-Agricultural (which is the most restrictive zoning we have). Upon annexation, the next step is to permanently zone the property.</p> <p>City Staff recommended a permanent zoning of B-1 (High-Density Residential and Neighborhood Commercial District) in adherence to the City's Future Land Use plan. The Planning and Zoning Commission recommended the continuation of the R-A, Residential-Agricultural zoning district as the permanent zoning by a vote of 6-1.</p> <p>At this time, Council just needs to receive the recommendation and set a public hearing for October 22, 2019.</p>
