| SUMMARY | <p>The property was recently annexed into the city limits and automatically receives a temporary zoning of R-A, Residential-Agricultural (which is the most restrictive zoning we have). Upon annexation, the next step is to zone the property.</p> <p>Staff made a recommendation of B-1 (High-Density Residential and Neighborhood Commercial District) zoning designation in adherence to the City's Future Land Use plan. The Planning and Zoning Commission recommended that the property remain the R-A, Residential-Agricultural by a vote of 6-1.</p> |
