Mr. Mike Mann,  
Public Works Director  
City of Boerne  
402 E. Blanco Rd.  
Boerne, TX 78006

Re: Bid Recommendation- Esser Rd. Electrical Feeder Project (18BRN3002)

Dear Mr. Mann:

At your request, we have evaluated the labor and material bid for the Esser Rd. Electrical Feeder Project (18BRN3002).

Bid documents were publicly opened at 10:00 a.m. on October 22nd at the City of Boerne Public Works office. Bids were received from Grays Power Supply and Canyon Power Solutions.

The apparent low bidder is Grays Power Supply with a bid of \$345,855.97. Grays Power Supply bid did not include a unit cost for Traffic Control; however, Mr. Gray confirmed, in conversation with Ryan Bass on October 29, 2019, that Gray's Power Supply would provide all Traffic Control. Otherwise, both bids were complete and met the requirements outlined in the Notice to Bidders.

Schneider Engineering recommends that the contract be awarded to Grays Power Supply who submitted the lowest qualified bid for the project.

Please call me if you have any questions.

Sincerely,

Gregory Baumbach, P.E.
