CONTACT PERSON	Laura Talley, Planning and Community Development Director
SUMMARY	<p>In July this property was annexed into the city limits. It was one of 9 contiguous properties annexed. Upon annexation, the properties automatically receive a temporary zoning of R-A, Residential-Agricultural (which is the most restrictive zoning we have). The next step is to appropriately zone the properties.</p> <p>Council considered this zoning in October and Tabled the zoning until January 14, 2020, to wait for the update to the Integrated Stormwater ordinances. The ordinances should be complete at the January 28th meeting. The Planning and Zoning Commission did not want to apply any less restrictive zoning until the ordinance revisions were complete and therefore initially recommended an R-A zoning.</p> <p>Staff is recommending that Council Table this item again until February 11th to be certain the ordinance updates are complete.</p>
