

Heritage Corridor Overlay District At-A-Glance

May 7, 2021

HERITAGE CORRIDORS

The Heritage Corridors Overlay District is intended to encourage context-sensitive design, respecting the rural and agricultural heritage of the area through heightened landscape preservation and orientation toward the creek-ways in the district. The corridors in this overlay include Old San Antonio Road, from Cascade Caverns Road to Herff Road, and Herff Road, from Old San Antonio Road to the River Road frontage. Because of the environmental and cultural impact of this district, additional requirements for use and development apply.

The requirements of the Heritage Corridor Overlay District supersede certain standards of the base zoning and the general design requirements of the UDC. However, if the overlay doesn't provide a standard or a regulation, then the base zoning and general standards of the UDC apply.
